Quality

Perfectionism inspires ultimate customer confidence.

We strive for an excellence that goes way beyond the surface of our products. In fact, from design to production and customer service we aim for nothing less than perfection at every stage. rigorous internal tests and numerous external certification processes are what gives our customers complete confidence in a name they can trust.

Technology

Mastering water through technology.

In our relentless search for technological innovation we work to integrate the latest digital advances, creating smart solutions that enhance our customers' enjoyment of water. Our in-house experts harness the power of water to enhance the experience of our customers every day – the moment of truth, for our products and brand.

Design

Signature elements styled to perfection.

An empathetic and intuitive design language offers us the opportunity to create products that feel as if they were designed just for you

Sustainability

Ensuring water enjoyment for generations to come.

Water is as essential as the air that we breathe, one more reason why we are so passionate about it. To be able to offer "Pure Freude an Wasser", not just to today's consumer but for generations to come, we demonstrate through our Sustainability Report and Sustainability accolades that we have made a serious corporate commitment to protecting the planet.

Since
1999

**A brand for a company is
like reputation for person
you earn reputation by
trying to do hard things well**

with a belief in this simple philosophy, since year 1999, we have been working with the mission to create innovation, elegant and superior quality products that are honestly made and sincerely sold.

over a period of time, our brand "Bella" has carved a niche for itself and reckoned amongst the quality manufacturers of sanitaryware products in India. Our commitment to deliver quality products at competitive prices backed by the best possible service are the cornerstones of our philosophy.

We constantly conduct training programs for our marketing and service departments to provide the best technical support to the end user. We cover the complete spectrum of bathroom products like faucets, showers, bathroom accessories, water closet, wooden cabinets, glass basins, designer mirrors, etc. We always strive hard to bring elegant, user-friendly and innovative ideas in each and every product we manufacture.

Today, after 15 successful years, our brand "Bella" adorns millions of homes across India. Our products stand on two professed benchmarks of constant innovation and uncompromising quality. Our products are widely available through a strong & efficient dealer / distributor network spread across India.
